Supporting Navigate as an Executive Leader

3

Maximize Efficient Use of the Tool

University Provost

1

Communicate

- Articulate the impact Navigate can have on student engagement
- Highlight ROI- how Navigate can affect retention and graduation rates
- The tool is only as good as the end user- get them bought in

2

Be Data Driven

- Use data to inform strategy and set goals
- Stay focused on data to monitor progress

3

Maintain Momentum

- Provide updates to campus on utilization and impact
- Link Navigate work back to institutional priorities
